**RLC RECEIVES 2010 CALIFORNIA OFFSHORE  
SAFETY EXCELLENCE AWARD**

*PXP recognizes leading helicopter services provider  
for achieving highest level of safety*

Broussard, LA — September 21, 2011 — RLC, the largest privately-held helicopter operator in the Gulf of Mexico, today announced that RLC's Santa Maria California Base Operations has received PXP's California Offshore Safety Excellence Award for 2010. This award, which was announced at the 6<sup>th</sup> Annual PXP Vendor and Contractor Safety Conference, recognizes vendors and contractors who have met the highest levels of safety in their respective divisions.

RLC's Santa Maria base received the PXP Safety Excellence award based on its outstanding performance during day to day operations resulting in no lost-time accidents or incidents throughout the 2010 calendar year.

"We are honored to be recognized by a respected national oil and gas leader like PXP for our deep dedication to safety and to providing superior performance every day," said Larry Adams, Chief Operating Officer of RLC.

**About RLC**

RLC, the largest privately-held helicopter operator in the Gulf of Mexico, is committed to being the industry's most efficient and customer-focused company. Serving high-performance energy services providers and oil and gas producers, RLC's fleet of offshore-equipped helicopters transport personnel and equipment to offshore production platforms and drilling rigs with the highest levels of efficiency, safety and service. By going above and beyond every time, RLC helps its customers move their businesses forward. For more information, visit <http://www.rlcllc.net>.
